

Laia t-Pod Wifi

The Laia t-Pod Wifi connects with Plug & Play to any PC and Mac, through ad-hoc WiFi, guaranteeing a much higher quality compared to Bluetooth solutions. Compatible with Microsoft, WebRTC, Webex, GoToMeeting, Pexip, Zoom, GoFACING, or Veedeo among other platforms.

Because of the importance of the quality with which others listen to you. The Microphone is a basic factor in communication. Laia t-Pod Wifi offers unique benefits with surround sound and without cables up to 6 m away for its correct reception.

Using 2.4 GHz-WiFi band - to ensure high fidelity sound

USB 3.0 (2.0 Compatible), which created a perfect connection for audio

Plug & Play solution: does not require installation of any software

High sensitivity omni-directional microphones

Up to 6 meters away without loss of sound quality

LAIA T-POD WIFI GUARANTEES THE BEST AUDIO QUALITY FOR ROOMS ALL SIZES
